ALL COUNTY LETTER NO. 88-56

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: REVISION TO THE CHILD WELFARE SERVICES (CWS) ALLOCATIONS FOR  
FISCAL YEAR (FY) 1987/88

This letter is to advise Counties of a revision to the Child Welfare Services (CWS) allocations for Fiscal Year (FY) 1987/88 based on a shift of Emergency Assistance (EA) funds to the closed-end CWS allocation. This revised allocation supersedes the allocation released in the June 26, 1987 letter. The CWS closed-end allocation has been increased by \$5,712,000 to \$260,580,000 for County Welfare Departments to provide CWS services.

The current year initial allocations were developed with the assumption that the EA redesign plan might not be approved by the Department of Health and Human Services (DHHS) and that Counties would continue to claim EA costs at prior year levels. It has become apparent, however, that Counties are not claiming EA costs at prior year levels. The allocation for EA statewide included \$5.7 million of State funds which the State Department of Social Services (SDSS) can transfer to the closed-end allocation for CWS. This modification increases each County's CWS allocation which will provide Counties with additional flexibility in the program.

As previously referenced in All County Information Notice I-102-87, SDSS was not able to obtain approval from the DHHS for the EA redesign program. The Department has filed an appeal, however, we do not know when a resolution may occur. It is important that all Counties continue to identify and claim all legitimate costs to the EA program. If the SDSS is successful in obtaining Federal approval of the EA plan, State and County costs will be reduced subject to the availability of Federal funds.

If you have any questions regarding this matter, please contact the County Administrative Expense Control Bureau at (916) 322-5802.
